Motion to quash or vacate the Subpoena

I have received notification from my internet provider that I have been named in the above lawsuit. I am writing to file a motion to quash or to vacate the Subpoena, so my contact information does not have to be provided to Voltage Pictures. I live in Pennsylvania and cannot get to D.C. in person to take care of this. I also do not have the money to hire an attorney.

I have no idea what a Bit Torrent is let alone use it to download any file. I know that no one in my household downloaded anything. At the time listed in the documents I received, my wireless account was not password protected so I don't know if that is what happened or not.

Basically, I did not copy the movie nor do I know if anyone else did or not. I do not know why I am listed as potentially having to provide my personal information.

Please accept my motion to quash or vacate the Subpoena.

Thank you.
